

# Medico-Legal Matters

*Register Now!*

Laryngology

SOCIETY OF AUSTRALASIA

- Managing Insurance Claims
- Return to work considerations
- Working within Workcover guidelines
- Writing for medico-legal purposes
- Recognising recovery at work barriers
- Increasing knowledge and competence managing medico-legal issues

This informative, dynamic and interactive day will tackle the complex issues surrounding recovery at work and medico-legal considerations for occupational and professional voice users. Utilising experts in the field, the study day aims to stimulate insightful discussion, sharing of opinions and practical tips, through panel and audience discussion.
